1	Note: Per discussion with PA, because this program is currently being brought under the umbrella of CPUC custom project review, this disposition is being issued as prospective (advisory only) with issues noted below.	
2	Simple payback exceeds EUL.	
3	Note from reviewer: "incremental costs are assumed to be twice of the incentive dollars". Incentive shown in Site Info sheet is 50% of total, so IMC should be 4X that amount.	
4	Evidence provided for program influence is not sufficient. See "Statewide Custom Project Influence Job Aid".
