**Date:** Tuesday, August 20, 2013 1:58:00 PM

---

Hi [REDACTED]

After PG&E recently made changes to this custom project application, PG&E #2K12104029, ED finds the recent submittal acceptable, and therefore, ED chooses to waive further reviews. PG&E will apply the 0.90 GRR factor when filing for this project's claim.

Thanks,

[REDACTED]
